

1. I am a small hand-held device which can help you with the trickiest of sums.
2. You can switch me off and on and I enable you to see things.
3. I sit on your lap and you can take me wherever you want.
4. I'm palm-sized and you can chat away on me all day.
5. You can ride my waves and get all the information you need.
6. You fill me up and I can go very fast but I'm not so green.
7. I'm always plugged in and I stop your things from going off.
8. I'm like a piece of fruit but much more sophisticated and keep you connected to the world
9. You board me when you want to travel in the sky.
10. I run on a track and carry many people.
11. You listen to the newest tracks without a disc in sight.
12. I take you from floor to floor.
13. I make a racket when burglars come in.
14. I'm in the shape of a square and carry a letter on my face.
15. I'm sensitive to movement and you can play lots of games on me.
