5 rue des acacias  
78114 MAGNY LES HAMEAUX, FRANCE  
E-mail : [antonin@lapiche.eu](mailto:antonin@lapiche.eu)

## Education

**September – December 2009 | APIIT-UCTI (Kuala Lumpur, MALAYSIA)**

Semester abroad at Asian Pacific Institute of Information Technology

**2007/2010 | EFREI (Villejuif, FRANCE)**

Third year of engineering school specialized in ICT (equivalent to a Master of Science in IT)

**2006/2007 | Lycée de Villaroy (Guyancourt, FRANCE)**

Baccalauréat (Equivalent to 3 A-levels in Mathematics, Physics and Chemistry)

## Professional experience

**June – July 2009 | Internship period at R.C.B.T. (Telecommunication company)**

Organized the point of sale. Welcomed and informed customers. Sold packages, phones and accessories. Conducted after-sales service. Used cash register, bar code reader, card reader. Reached daily sales targets. Took delivery of supplies.

**December 2008 – June 2009 | EFREI (Top school in ICT)**

Conducted a statistical study on new entrants to the EFREI school. Designed a questionnaire for a survey. Compiled results over a hundred of questionnaires with graphic representation in MS Excel. Used “Google insight for search” to look for trends on the web. Prepared a full report to the department of external relations.

**June – July 2008 | Internship period at ETDE (Electrical engineering company)**

Installed fire safety systems, access control and CCTV. Used specific equipment (drill, jackhammer, nail gun and electricians tools) and material (coaxial cable, RO2V3G2.5 cable, RJ11/RJ45/BNC connectors). Worked safely in hard conditions :basement without light , roof of the building, scaffolding, high voltage. Reached deadlines and targets of the construction.

## Languages

English: good level (785 in TOEIC and 3 months in Malaysia)

Spanish : basic level

French : native speaker

## IT

Office software (MS Office 2003/2007) and Windows environment (XP, Vista, Seven)

JAVA,C/C++ programming language

General knowledge of the IT market

## Interests

Golf

Photography and reporter for the association EFREI Picture Studio
