

L2 syllabus 2009-2010
Sophie Pietrucci

What you'll have to do this year:

- 2 oral presentations (one on cultural differences and one on innovation) in pairs
- 1 cultural project (film and written report)
- 2 syntheses
- Optional: you can make a Powerpoint presentation with pictures of foreign places, food, people...to test the rest of the class (let me know and we'll figure out a date to present it)

Important information:

- If you are absent make sure you find out what homework has been given.
- If you are late (more than 10 minutes) you will be accepted but will be marked absent for the class.
